

**Curriculum vitae**  
**GIORGIO VITTORIO**  
**SCAGLIOTTI**

**Personal details**

Born in Torino – 2<sup>nd</sup> July 1953

Nationality: Italian

Email: Giorgio.scagliotti@unito.it

Website: www.unito.it

ORCID ID: 0000-0001-6646-958X; Scopus ID: 7006392582; WOS Researcher ID: DXD-3623-2022

**Educations**

11/1972 - 7/1978	Medical Degree, University of Torino
3-8/1979	Internship in Internal Medicine, Institute of Internal Medicine, University of Torino
10-12/1979	72° Course, Military Health School- Florence
9/1980 - 2/1981	Internship in Respiratory Medicine, Institute of Internal Medicine, University of Torino
11/1978 - 7/1981	Postgraduate School in Respiratory Medicine, University of Torino
11/1981 - 7/1986	Postgraduate School in Internal Medicine, University of Torino
11/1987 - 7/1991	Postgraduate School in Medical Oncology, University of Torino

**Professional experiences and current position**

2/1975 - 12/1978	Internship, Institute of Internal Medicine, University of Torino
2/1979 - 7/1980	Researcher, Institute of Internal Medicine, University of Torino.
1-12/1980	Military Health Service Officer at the "A. Riberi" Military Hospital, Torino
9/1981 - 8/1986	Physician in staff, Respiratory Medicine Division, S. Luigi Gonzaga Hospital - Orbassano (Torino), Italy
9/1986 - 5/1987	Deputy Head at the Respiratory Medicine Division, S. Luigi Gonzaga - Orbassano (Torino), Italy
1987 - 2000	Assistant Professor in Respiratory Medicine, University of Torino, Department of Clinical and Biological Sciences
2000-2006	Associate Professor of Respiratory Medicine, University of Torino, Department of Clinical & Biological Sciences
Oct 2006 – Dec 2011	Full Professor of Respiratory Medicine, University of Torino, Department of Clinical & Biological Sciences
Dec 2007- Feb 2012	Chair of the Postgraduate School in Respiratory Medicine
Oct 2008-Dec 2011	Chair, Department of Clinical and Biological Sciences at University of Torino
Nov 2010-today	Chair and Neck-Thoracic and Oncology Dept. at the San Luigi Gonzaga Hospital
Dec 2011-today	Chief, Medical Oncology Division at the S. Luigi Hospital
Dec 2011 - today	Full Professor of Medical Oncology at University of Torino

Jan 2012 – October 2017	Chair, Department of Oncology at University of Torino
Oct 2012- Oct 2017	Member of the Academic Senate – University of Turin Chairman Human Resources Committee
Oct.2015- October 2017	University of Torino – Deputy Rector for Planning Activities & Rector Delegate for Unions Relations

**Participation to Directive Boards of Scientific Societies and/or Institutions:**

2017-2019	President Elect and then President of IASLC (International Association of the Study of Lung Cancer)
Oct 2017- Sept 2021	Member of the Council Board of the University of Torino

**Honors**

May, 1990	II International Conference on Small Cell Lung Cancer. Award “Il Messaggero” in recognitions of the best Scientific work
June, 1996	European School of Oncology, II Educational Convention – Vienna. Best presentation about Lung Cancer.
2009	IASLC (International Association for the Study of Lung Cancer). Award in recognition of activities to support the IASLC mission and accomplishments in lung cancer research
2009	Bonnie J. Addario Lung Cancer Foundation – Golden Globe Award “A Breath away from the cure” – San Francisco (USA)
2014	Gruppo Oncologico Italia Meridionale – Prize for “Maestro in Oncologia”
2016	17 <sup>th</sup> International Lung Cancer Congress -9 <sup>th</sup> Annual Addario Lectureship Award – Huntington Beach – USA
2017	“Archita” Prize for continuous and qualified oncology research and educational activities – Taranto, April 2017
2019	Honorary membership European Society of Radiotherapy and Oncology for the exceptional contribution to Radiotherapy and Oncology
2019	Reggio Emilia Oncology – CORE award 2019

**Teaching activity:**

1986-1999	Assistant Professor at the Postgraduate School of Respiratory Medicine, University of Torino
1991-2000	Chair of Respiratory Medicine, School of Medicine, University of Novara
1993-today	Professor of Thoracic Oncology at the Postgraduate School of Medical Oncology, University of Torino
2000-2011	Professor & Chair of Respiratory Medicine, School of Medicine, University of Torino
2006-2011	Professor of Respiratory Medicine at the Bachelor of Arts in Nursing.
2007-today	Professor of Respiratory Medicine at the Postgraduate School of Thoracic Surgery, University of Torino
2007-today	Professor of Thoracic Oncology at the Postgraduate School of Radiotherapy, University of Torino

2012-current

Professor & Chair of Medical Oncology, School of Medicine, University of Torino

**Research main topics**

- Experimental studies on basic and clinical applied research on lung cancer, including translational research.
- Molecular targeted therapies and immunological modulation in thoracic cancers
- Role of new molecules in genito-urinary cancers and more specifically in those tumors with DNA repair deficiencies.
- Neuroendocrine tumors of the lung
- Study and principal investigator of several European and international clinical trials on lung cancer chemotherapy including investigator' initiated studies. Relevantly he is currently responsible of a study investigating the role of PARP-inhibitors in combination with immune-checkpoint inhibitors in thoracic cancers with germline and/or somatic mutations in DNA repair genes.

**Main projects as PI:**

MINE – Mesothelioma Information Network

AIRC IG 2019 Dissecting the tumor-immune microenvironment interactions in malignant pleural mesothelioma

AIFA: Randomized Phase III Multicenter Trial of Customized Chemotherapy versus Standard of Care for 1st Line Treatment of Elderly Patients with Advanced Non-Small-Cell Lung Cancer (NSCLC)

Involved as principal investigator and co-investigator in several European and international clinical trials on lung cancer chemotherapy and targeted therapies; key investigator in several Italian studies investigating the role of chemotherapy in early stage non-small cell lung cancer.
