

Curriculum vitae

Cristian Fiori

Personal details

Born in Turin

Nationality: Italian

Email: cristian.fiori@unito.it

Website: https://www.oncology.unito.it/do/docenti.pl/Show?_id=cfiori#tab-profilo

ORCID ID: 0000-0002-6345-1322; Researcher ID: K-2070-2018

Educations

-2000 Degree in Medicine and Surgery – Medical School of Torino, Italy. First class medical degree with maximum marks (110/110 cum laude and honourable mention), July 17, 2000. Discussed the thesis “Incidentaloma surrenalico: attualità diagnostiche e terapeutiche” (Adrenal Incidentalomas: an update). The thesis was considered worthy of publication.

-2001 Passed the State Exams of qualification to the profession of physician in the first session of 2001 with full marks (110/110).

-2005 Specialty in Urology at the Medical School of Turin with maximum marks (70/70 cum laude), November 9, 2005. Discussed the thesis “Ricerca di nuovi markers nel carcinoma uroteliale della vescica mediante approccio proteomico” (Proteomics for identification of new bladder TCC markers). The thesis was considered worthy of publication.

Professional experiences and current position

-Feb 15, 2006 – Jun 14, 2008 Staff member at the Division of Urology, S. Giovanni Battista Hospital, Torino, Italy.

-Jun 15, 2008 - Staff Member at the Division of Urology, S. Luigi Gonzaga Hospital, University of Torino, Italy.

-Nov 1, 2017- Oct 31, 2020 – Adjunct professor of Urology, Department of Oncology, University of Turin, Italy

-Nov 1, 2020 – Dec 22, 2022 – Associate professor of Urology, Department of Oncology, University of Turin, Italy

- Dec 23, 2022 – Full professor of Urology, Department of Oncology, University of Turin, Italy

He has a significant surgical experience in the field of endoscopy (both lower and upper urinary tract), laparoscopy and robotics and –overall- he performed more than 5000 surgical procedures.

Participation to Directive Boards of Scientific Societies and/or Institutions:

He is Associate Editor of Minerva Urology and Nephrology (Editor in Chief Francesco Porpiglia);

and member of Editorial Board of :

BMC Urology

Journal of Clinical Medicine

Current opinion in Cancer, Case Reports

Uro – Technology Journal

Member of Teachers Board of PhD program “Bioengineering and Medical-Surgical Sciences”

Chief of Scientific Committee of “Italian Endourological Association” (IEA)

Chief of Lower Urinary Tract Section of “ESUT” (EAU)

Peer reviewer for more than 30 Indexed Scientific Journals

Honors

- “Optime Prize” 2001 special award of recognition of merit in the study (Menzione Optime) for the *academical year -2000 by the Industrial Union of Torino*.
